St. Gregory Parish School provides strong academic and religious education curriculums for all ages and grade levels. We foster spiritual, academic, emotional, and social growth opportunities by creating a unique learning environment that is Christ centered and service focused. SGPS emphasizes a personal relationship with God and we are committed to equality, inclusion, respect and brotherly love. We recognize that each person is sacred and unique, and we encourage our students to explore and meet their full potential. Our academic and religious curriculums are designed specifically to meet the needs of individual students.

Each student in grade one through eight is assessed in reading, writing and math performance in order for St. Gregory School to provide the most appropriate academic instruction. Our goal is not just to meet, but exceed, grade level academic standards.

- Students consistently perform above the national average in standardized testing
- Saint Gregory School's partnership with Mercyhurst University offers the Mercy Scholarship—a 75% college tuition discount to students who enter Saint Gregory School by 2nd grade and attend Mercyhurst Preparatory High School
- Saint Gregory School is accredited by Middle States Commission on Elementary Schools
- Annual Academic Theme - 2017-2018 "Protecting our planet peacefully prayerfully and purposefully."
- Numerous enrichment projects, field trips, guest speakers and School wide activities are planned around this theme.
