

St. Gregory Parish School strives to create and foster a safe learning environment where a child may grow spiritually, academically, emotionally, and socially through a quality education, a living relationship with God and a respect for themselves and others. We strive to recognize that each person is sacred and unique, and we encourage each student to explore and meet their full potential, so that they may successfully respond to the challenges of life and the call to become leaders for Christ, America and the world.

Tuition Assistance Applications

Applications for tuition assistance from the Catholic Diocese of Erie were sent home in early January.

Eligibility guidelines are stated on the form.

The deadline for application submission is April 15, 2019 unless you are applying for assistance with one of the Erie Catholic High Schools in which case the deadline would be March 1st.

In an effort to assist and make sure all applications are submitted, we will mail all completed applications received with the required \$20.00 payment to the Diocese on **Friday, April 8, 2019**. If you would like to mail your application on your own, that is also fine.

In Early April, Saint Gregory School will receive applications from the Kremer Foundation. All eligible families at SGPS and those families who show interest in attending SGPS will receive an application. Every family is encouraged to apply.

Make Up Snow Day

We will have our make-up snow day on Monday, March 18th. This is NOT a scheduled day for the NESD so if your student rides the NE School Bus and will need transportation on this date, please contact the school office no later than Friday, March 7th so that a special bus route can be made.
