St. Gregory Parish School

St. Gregory Parish School strives to create and foster a safe learning environment where a child may grow spiritually, academically, emotionally, and socially through a quality education, a living relationship with God and a respect for themselves and others. We strive to recognize that each person is sacred and unique, and we encourage each student to explore and meet their full potential, so that they may successfully respond to the challenges of life and the call to become leaders for Christ, America and the world.
