ANNUAL CRUSADE FOR KIDS

AUCTION

Saturday

APRIL 27TH, 2024

ST. GREGORY SCHOOL

5:00-10:00 PM

RAFFLES, GAMES, AUCTIONS AND FOOD.

Dear Family and Friends of Saint Gregory Parish School,

Welcome to the Thirty-Third annual "*Crusade for Kids Auction*". Our theme of puzzle pieces for the auction this year continues the 2023-2024 academic theme **Better Together**. While this is my second year of being the principal for Saint Gregory School, I have appreciated how each individual "fits together" as a puzzle. We are all unique pieces in a grand community puzzle--we each have an individual, specific purpose, yet we accomplish much more when we work together to complete the larger task/goal. We truly ARE **Better Together** and tonight I appreciate you supporting such an important community and for supporting Saint Gregory School.

First and foremost, we extend a very special "Thank You!" to the 2024 Auction Committee members who have committed endless volunteer hours organizing, preparing for, and hosting this event. The amount of commitment and involvement by these coordinators exemplifies their devotion to Saint Gregory School. Congratulations on a job well done!

Secondly, Saint Gregory Parish School is blessed to be surrounded by dedicated community members including parents, families, faculty, as well as Saint Gregory Parish and the North East Community. Through this cooperation, it has ensured the continued existence of our parish school as a viable option for parents to send their children to a unique educational experience. Our school extends the legacy of nurturing each student's talent to flourish in their faith-based education and your generosity ensures that this legacy of Saint Gregory School continues to be vibrant.

Finally, we thank you for your presence and support tonight. The "*Crusade for Kids Auction*" is our major fundraiser for the school and we truly appreciate your generosity. On behalf of our students, faculty, staff, parents and families; we truly thank you for your sponsorship and assistance in supporting our mission of providing the best educational opportunity for the children of Saint Gregory School.

"God's will is like a jigsaw puzzle until you put all the pieces together, you won't be able to see the whole picture." — **Danny L. Deaubé**

2024 “Fund-An Item” Proposal

Kitchen Renovation

The 2023-2024 “Fund-An-Item” for the Crusade for Kids Auction will a multi-tiered renovation of our kitchen equipment to generate revenue for the school and enhance the student experience.

Our main priority would be to replace existing kitchen operating equipment to reduce food spoilage and utility costs. Milk cooler and milk dispensing stations for the cafeteria are used every single day for student lunches. We would also like to purchase commercial microwaves, to allow students the opportunity to heat up packed lunches.

We would also like to purchase fundraising equipment, to help prepare standard concession type foods such as cotton candy, pizza, ice cream, coffee, or toasted items. These can be used for fundraising events, open houses, and school functions that help the school’s extracurricular experiences and generate income to off-set student paid expenses for field trips, spirit wear, etc.

Revenue generating equipment is another tier of our renovation plan. We would like to purchase the initial start up equipment, such as a hot dog roller, nacho heater, pretzel warmer, and hot foods holders so that clubs, organizations and private parties could rent St. Gregory’s gymnasium for events. We would use the new revenue from rental fees to help offset school operating costs.

We would also like to purchase class experience enhancements, purchasing trending education inspired equipment such as a workstation and serving cart that would be used along with student classroom experiences. Students could incorporate the new kitchen equipment with home economic type projects and learning demonstrations to enhance the academic opportunities offered here.

The next page features a breakdown of our tiered fund-an-item list. Total Kitchen Renovation Costs are estimated to be \$10,056.

Thank you to:

- Maricarol Schoenfeldt and the SGPS faculty and staff for your help with the execution of the auction as well as the students of SGPS for their help working the night of the auction.

Auction Rules — “Bid High and Bid Often”

Upon entry, each guest will stop at the reservation table to pick up their bid card and/or packet and catalog supplement. To bid on an item in the silent auction section, simply write your number next to the amount on the silent bid form. To bid on an item in the live auction, hold your bid card up high with the number toward the auctioneer.

Any bid acknowledged by the auctioneer is a legal contract to purchase that item. Any written bid number on the silent auction bid form and designated the top bid by the auction official, is also a legal contract to purchase that item.

Payment by the successful bidder must be paid in full at the Auction Bank, which opens at the conclusion of the live auction. It is encouraged that you pay for your purchases only once at the end of the entire auction.

Auction items will be awarded to ONE purchaser only. The top bid amount will not be split among bidders and only one payment from one purchaser will be accepted at the Auction Bank for any such item.

All purchases are final and there will be no exchanges or refunds of items unless otherwise noted.

Guests may make payment by cash, check, Visa or MasterCard. Please make your check payable to St. Gregory School. St. Gregory School is a 501-C-3 charitable organization and your payments are tax deductible as a charitable contribution only to the extent provided by law.

Unless otherwise noted, all goods and services must be claimed and used within one year of the auction date.

The Auction Committee reserves the right to add or withdraw, without notice, items to or from the auction.

It is the responsibility of the purchaser to locate and remove purchases from St. Gregory School the night of the auction, but no later than noon on the Sunday immediately following the Saturday night auction unless other specific arrangements are made with the either the auction chairperson or the principal.

Purchasers may claim certificates or tangible items from the tables where they are displayed when your “paid” receipt is shown to an auction worker.

Silent Auction

Items offered in the silent auction will have silent auction bid forms attached to them or on the table nearby. You may bid by simply writing your bid number on the form opposite the amount you want to bid.

You do not have to take the next available amount but may skip ahead on the form to find the amount you wish to bid. The next bidder must bid a higher amount than you did to be successful.

If you really want an item, you may conclude all bidding on the item and guarantee yourself as the winning bidder by writing your number opposite the amount labeled “guaranteed purchase”, the bidding on that item will then be concluded.

You may bid on any item in the silent auction section until the section is closed. Bidding for items in the silent section will close at the times posted in the catalog. An official auction worker will then circle the top bid number and amount. Once a bid number and amount has been circled in red, no more bidding is accepted. You can see if you are the winning bidder by looking at a copy of the silent auction bid form, which will be left in its place after the section is closed.

Live Auction

You may preview live auction items from the time the doors open until the start of the live auction. Please feel free to come right up to the display of live auction times. We want you to have adequate time and opportunity to see the excellent quality of the live auction items. Also, please note any restrictions, limitations, sizes, etc.

You may bid in the live auction by holding your bid card up high with the number toward the auctioneer. Either the auctioneer or bid spotter can accept your bid.

To ensure for you that the auction concludes at a reasonable hour, the live auction, on Saturday night, will begin during dinner and continue without intermission until all items have been auctioned.

Live Auction
Live Auction Begins at 8:00 P.M.
